For some, aesthetics is considered a synonym for the philosophy of art since Hegel, while others insist that there is a significant distinction between these closely related fields. In practice, aesthetic judgement refers to the sensory contemplation or appreciation of an object (not necessarily an art object), while artistic judgement refers to the recognition, appreciation or criticism of art ...

Art criticism is the discussion or evaluation of visual art. Art critics usually criticise art in the context of aesthetics or the theory of beauty. A goal of art criticism is the pursuit of a rational basis for art appreciation but it is questionable whether such criticism can transcend prevailing socio-political circumstances.. The variety of artistic movements has resulted in a division of ...

The Argentinian pianist Martha Argerich is known for her explosive musical temperament and staggering technique. She has over her career produced many recordings, made in studios and live concerts. Recently, a surreptitiously made MP3 of a Carnegie Hall recital by Argerich came into my eager hands.
