Indian English refers to dialects of the English language characteristic of the Republic of India. The Constitution of India designates the co-official language of the Government of India as English, along with Hindi. Today many regional varieties of English, or Englishes, exist around the globe and are slowly but steadily gaining recognition.

Contemporary Latin is the form of the Latin language used from the end of the 19th century through the present. Various kinds of contemporary Latin can be distinguished. On the one hand there is its survival in areas such as taxonomy as the result of the widespread presence of the language in the New Latin era. This is usually found in the form of mere words or phrases used in the general ...
