The Unofficial Football World Championships (UFWC) is an informal way of calculating the world's best international association football team, using a knock-out title system similar to that used in professional boxing. The UFWC was formalized and published by English journalist Paul Brown in 2003. The title is currently held by Netherlands, who won it from France on 16 November 2018.

Published continually since 1998, "NEWS YOU CAN USE" was a Blog before "Blog" was even a word! Its intention has been to help inform the football coach and the interested football observer on a wide variety of to pics, usually - but not always - related in some way to coaching or leadership. It contains news and views often (trigger alert!) highly opinionated but intended to be thought-pr ovoking.
