Supervised visitation is contact between a non-custodial parent and his or her child in the presence of a third party who observes the visit and ensures the child's safety. In domestic violence cases, visits voluntarily supervised by friends and family in their homes can be fraught with danger for the child and victim, as well as the monitor.

Supervised Visitation - Center for Court Innovation

How to use the visitation forms IMPORTANT: Please review the instructions in the paper packet that you were given at the custody clinic. To complete the forms: • Type the information requested in each blue-shaded box. • After filling in a box, press the Tab key to move to the next box.
