How to describe relationships. The word "relationship" is defined as the way in which two or more people are connected or related. In this post, you will learn different types of Adjectives that you can use to describe relationships. You can use a dictionary to define the words you do not understand.

Vocabulary for describing relationships: Adjectives

Word origins. Singlish vocabulary formally takes after British English (in terms of spelling and abbreviations), although naming conventions are in a mix of American and British ones (with American ones on the rise). For instance, local media have "sports pages" (sport in British English) and "soccer coverage" (soccer originally slang for association football while used in Britain, is more ...
