The Constitution of Tunisia is the supreme law of the Tunisian Republic. The constitution is the framework for the organization of the Tunisian government and for the relationship of the federal government with the governorates, citizens, and all people within Tunisia. Tunisia's first modern constitution was the Fundamental Pact of 1857. This was followed by the Constitution of 1861, which was ...

Usurpations. Usurpation is the exercise of powers by an agent which have not been delegated to him by the principal. In a constitutional republic like the United States of America, acts by officials are legitimate only if they are consistent with and based on a constitution, a body of laws which are superior to all subsequent statutes and other acts of officials, which embodies all delegations ...

PART I. INTRODUCTION. Uniformed police officers are the most visible element of America's criminal justice system. Their numbers have grown exponentially over the past century and now stand at hundreds of thousands nationwide. 1 Police expenses account for the largest segment of most municipal budgets and generally dwarf expenses for fire, trash, and sewer services. 2 Neither casual observers ...

Death penalty, also called capital punishment, is when a government or state executes (kills) someone, usually but not always because they have committed a serious crime. A crime that can be punished with the death penalty is called a capital crime or a capital offense.. Executions in most countries have become rarer in recent centuries.

Oregon's racial makeup has been shaped by three black exclusion laws that were in place during much of the region's early history. These laws, all later rescinded, largely succeeded in their aim of discouraging free blacks from settling in Oregon early on, ensuring that Oregon would develop as primarily white.
