The title of the film was decided late in the script's development. O'Bannon had quickly dropped the film's original title, Star Beast, but could not think of a name to replace it. "I was running through titles, and they all stank", O'Bannon said in an interview, "when suddenly, that word alien just came out of the typewriter at me. Alien.

Weightlessness is the complete or near complete absence of the sensation of weight. This is also termed zero-g, although the term is more correctly "zero g-force." It occurs in the absence of any contact forces upon objects including the human body.. The forces which support bodies at rest in a relatively strong gravitational field (such as on the surface of the Earth), is normally perceived as ...
