

### **why our children are pdf**

These disparities are growing despite the fact that over the past two decades, closing the test-score gaps between affluent and poor children has been a central aim of national education policy, as embodied in President George W. Bush's No Child Left Behind law and President Barack Obama's Race to the Top program.

Putting Speciesism on Our Radar. In his groundbreaking book, *Animal Liberation*, philosophy professor Peter Singer popularized the word speciesism. He wrote: Racists violate the principle of equality by giving greater weight to the interests of members of their own race when there is a clash between their interests and the interests of those of another race.

Historically, an orphanage was a residential institution, or group home, devoted to the care of orphans and other children who were separated from their biological families. Examples of what would cause a child to be placed in orphanages are when the biological parents were deceased, the biological family was abusive to the child, there was substance abuse or mental illness in the biological ...
