English is a West Germanic language that was first spoken in early medieval England and eventually became a global lingua franca. Named after the Angles, one of the Germanic tribes that migrated to the area of Britain that would later take their name, England, both names ultimately deriving from the Anglia peninsula in the Baltic Sea. It is closely related to the Frisian languages, but its ...

A constructed language (sometimes called a conlang) is a language whose phonology, grammar, and vocabulary are, instead of having developed naturally, consciously devised for communication between intelligent beings, most commonly for use by humanoids. Constructed languages may also be referred to as artificial, planned or invented languages and in some cases fictional languages.

Teaching content to ELs: The challenge. In my work supporting general education and ESL/bilingual teachers who provide sheltered instruction for English learners (ELs), I have met many teachers like Mrs. Shell. While these teachers want to provide effective instruction for their ELs, often they don't see themselves as language teachers and so they aren't sure where to begin with their students.
